India Warehousing Show 2021

India Warehousing Show concluded on a high note with participating companies and attendees equally impressed with the overall management and energy of the show. Business networking, face-to-face meet-up and live demos created the right buzz during the event.

Let me congratulate RX Manch Exhibitions for organising such a wonderful event. For ten years they have been consistently organising successful shows and conference sessions.”

Shri Sudhendu J. Sinha, Advisor, Niti Aayog

The way government is looking forward to the development in the sector and the vision which we have, India Warehousing Show is certainly going to help us get on the right track.

Dr Jivisha Joshi Gangopadhyay, Deputy Secretary, Ministry of Commerce, Government of India

It’s been a great experience at India Warehousing Show with numerous customer visits and business queries. This event has given an excellent opportunity to a lot of burgeoning companies to showcase their tremendous potential in warehousing automation and robotics sector.

Mr Vinay Raghav Gautam Dubey, Sr. Manager-Mobile Robotics, Addverb Technologies

It’s been a really enriching experience for us at India Warehousing Show 2021. It is an excellent platform to help connect with business leaders from logistics and warehousing sector.

Mr Krishanu Chatterjee, Business Analyst, House of Hiranandani

India Warehousing Show has given us an opportunity for face-to-face networking and helped us connect with our industry suppliers, vendors and new business prospects.

Mr Saurabh Sharma, Executive Marketing Manager, Safexpress

At India Warehousing Show, we have displayed an entire range of Material Handling Equipment. We feel the show has given us a really great platform to meet end-users, increase market presence and enhance our market reach.

Mr Avinash Kumar, Area Sales Manager, Liugong India
